

Graduate Students' Association Executive Meeting Agenda

University of Saskatchewan Graduate Students' Association Emergency Executive Meeting Minutes Monday August 20, 2012 2:00PM – 2:30PM GSA Commons

Present: Ehimai Ohiozebau, John McLeod, Dylan Beach, Elizabeth O'Meara, Maily Huynh

Regrets: Steve Jimbo, Heather Dillon

1) Finances

- The issue of a financial audit was raised regarding whether we should straighten up our own books first and then hire an accountant or pay to have an accountant to it all.
- A vote was taken with all present executives and all present had voted to hire a firm to take care of all our books.

2) Printer

- Since our printer is working again we will wait a bit before purchasing a new one

3) Commons staff

- It was decided that future postings for commons staff will be to target graduate students and will only consider others if there is a shortage of graduate student interest
- In accordance with a former decision by course council, since the university has increased its graduate student pay to \$17.71 in May, we will increase common staffs pay to match. This includes back pay to the staff from May to account for the difference
