

# All you need to know about coverage changes

## What if I'm already covered?

### Reasons to stick with your student Plan:

- Your parent's insurance plan could stop covering you completely if you're a student over 21.
- You can combine plans to maximize your overall coverage—up to 100%.

## When can I change my coverage?

**Fall Term** (enrolments and opt outs):  
Sept. 1 – 30, 2021

**Winter Term** (enrolments for new students only):  
Jan. 3 – 18, 2022

**Spring Term** (enrolments for new students only):  
May 9 – 23, 2022

## Family enrolments

You can enrol your family (spouse and/or dependent children) each year by paying an additional fee, over and above your fee as a member of the Plan. Common law couples are eligible. Visit [www.studentcare.ca](http://www.studentcare.ca) for instructions.

**+1** Add one dependant for  
**\$459.03**  
for full-year coverage\*

**∞** Add unlimited dependants for  
**\$918.06**  
for full-year coverage\*

\*Family enrolment fees for coverage from Jan. 1 – Aug. 31, 2022 (for new Winter Term students) and from May 1 – Aug. 31, 2022 (for new Spring Term students) are available online.

## Opting out

1. Use the secure online opt-out processing system at [www.studentcare.ca](http://www.studentcare.ca) to opt out of the health portion, the dental portion, or the Plan in its entirety.
2. Upload proof of your alternative health and/or dental coverage (such as a copy of your benefits card or a letter from your parent's or spouse's employer). Provincial health care is not considered acceptable alternative coverage.
3. Receive a credit to your student account shortly after the Change-of-Coverage Period.

# The ease of claiming at your fingertips
